

20TH ANNUAL KNOWLTON HOUSE & GARDEN TOUR

KNOWLTON – Five beautiful properties will make up Theatre Lac Brome's 20th annual House and Garden Tour that is slated this year for Wednesday, July 13.

The elegant home of a well known Montreal-based international interior designer and decorator is a must-see as it has been lovingly restored and up-dated to modern splendour. Located in the village on a large lot, the home and gardens will prove inspirational to anyone looking for design ideas.

Two of the properties are large estates situated in the countryside, surrounded by rolling hills and fields, with the prerequisite swimming pools, tennis courts and gardens.

Two village homes complete the tour with their country chic interiors and beautiful gardens. Paintings figure strongly in all the homes, as do the owners' collections of china, glass and antiques.

A fundraiser for Theatre Lac Brome, this self-guided tour is well known as a source of inspiration for homeowners and garden lovers and tickets are consistently sold out so early purchase is recommended. Tickets are \$60.00 and include a box lunch or a voucher valid at many of Knowlton's restaurants for either lunch or dinner that day.

New this year, for \$80.00 you get the House & Garden ticket and one discounted ticket for any theatre performance during the summer season (excluding Bowser & Blue and the Classical Music Week-End), valid until August 20, 2011.
