MAGICAL FIREWORKS!

BROME LAKE (Quebec) – The Brome Lake Festival of Lights will end with a scintillating sight and colorful fireworks that never fail to enchant children and adults, between Christmas and New Year.

This magical event will be held on Tuesday, December 28th at 6 pm. It is important to note that, weather not permitting; this event will be postponed until the next day, Wednesday, December 29th.

As in the past, these fireworks will be accompanied by lovely background music and will be held at Coldbrook Park. To ensure the security for pedestrians and to allow greater access to the event, Lakeside road will be closed (from the corner of Lakeside and Knowlton to the corner of Lakeside and Victoria) starting at 5:30 pm.

This evening will illuminate the heart of the village of Knowlton, and will end the festival in a most dazzling way.
